Dear Patient:

The physicians of **Jandee Anesthesiology, PLLC**, are proud to be the anesthesia providers at Ramapo Valley Surgical Center. Our focus is providing you with a safe, comfortable, procedure. We are all certified by the American Board of Anesthesiologists and use the most up to date techniques to minimize pain, nausea, vomiting, and other side effects, normally associated with anesthesia and surgery.

Jandee Anesthesiology, PLLC is in-network with most insurance carriers. Please refer to our website (www.jandeeanesthesiology.com) for a complete listing. We encourage you to reach out to our billing department with any questions or concerns you may have about your anesthesia bill, whether before or after your procedure.

If your insurance company is not listed among our contracted insurance carriers and/or if you are concerned about possibly receiving an out-of-network invoice, please contact us **BEFORE** your procedure to discuss your options.

When calling or emailing, identify yourself as a **Jandee Anesthesiology, PLLC** patient. In addition, feel free to discuss this matter with your anesthesiologist prior to your procedure. Please do not call your surgeon about your anesthesia invoice.

You have the right to receive an estimate of your anesthesia bill if you would like. Feel free to call our billing department to inquire about this.

It is our desire for your experience at Ramapo Valley Surgical Center to be as pleasant as possible. We look forward to meeting you for your procedure and participating in your care!
